Dear City Family,

As City employees, we work tirelessly to ensure that Los Angeles has a promising future. I am proud of your commitment to this cause and the strides that we have made together. Because of our combined energies, our City's future shines brightly.

For more than 20 years, the City of Los Angeles Combined Charitable Campaign has pooled the efforts of many of the most respected and successful charitable agencies in Los Angeles into a single City employee fundraising endeavor. It is because of your commitment that I write to you to encourage you to join the campaign. The funds will support more than 400 charitable organizations that are dedicated to improving our City. The campaign will kick off on October 1st and run through mid-November. By visiting <http://www.givetola.org/>, you can learn more about these participating charities and their track records of bettering the lives of Angelenos.

The monumental challenge of creating a better tomorrow is a team effort, and with every City department partnering with the philanthropic community, we can maximize the impact of our collective goodwill.

Thank you for your continued commitment and for making this worthwhile investment in the future of Los Angeles.

Sincerely,
